Dear Dr. Collins:-

Thank you very much for your kind note. Like yourself I am back at work again. I was very sorry not to see you, and your collections. I succeeded in collecting at Bristol a good supply of material, any duplicates of which I shall take pleasure in sending your herbarium as local State material. I shall not get at these for a time, as I am preparing to send forward with in ten days the three last decades of Lich. Novae Angliae.

It was a great pleasure for me to see the college my father attended ('66), and to see also your quarters which the janitor very kindly admitted me to.

Trusting I may find the opportunity to drop in on you at some later time,

Believe me,

Sincerely yours, -

*R. Heber Howe, Jr.*
