Dear Mr Collins -

I am very sorry  
to hear by your  
card that I shall  
have the pleasure  
of seeing you tomorrow.  
I trust you are not  
ill - I have not  
been out much  
lately, but my cold  
is so much better.  
I must go enjoy the  
Club tomorrow evening.  
I shall expect to see  
Prof Bailey on the 3.19.  
I have an interesting  
find to report.  
Listed fresh from  
Mellorphy & Co

for as I know near  
to the state.

I find I have a  
staggering lot of  
plumose mosses  
from Willoughby  
yet waiting exam-  
ination.

The White Mt  
map is I think  
the one issued  
in the 1896 Report  
of the White Forestry  
Commission. I  
have the report  
with the map  
but I think Mr  
Ernie Williams  
would like it, as  
I believe has no  
copy. I will try

I remember to ask him  
tomorrow evening.

If I knew some  
week day when you  
expected to be at  
home, I think I  
could arrange to  
run down & see you.

Very truly yrs
