

THE PINES, BLUE HILL,
READVILLE, MASS.

April 13. 1904.

Dear Collins

"Many thanks" for the
"Cuban mosses" which
I have looked over
& now return under
separate cover: when
I have some mosses
from Cuba I shall
remember you have
the little work -

I enclose letter from
Mr. Gerritsen J. Walther
& would propose that
you come up here
& stay over Sunday
with us: then we
can take the track
quite comfortably &
either come here to
supper on Saturday

every, or if the track
is very late. Can
dine or sup in town
& come out here later.
I don't want to go
to "name mosses" unless
you are along for I
am as rusty as an
old barn door hinge.
To get the 12.24 at the
North station I must
take the 11.19 here;
if you could come
up early Sat morning
we might have an
hour or more here
or I could meet you
in town if you have
any errand to prevent
your spending the time
here.

If you have to be home
very early Monday
morning you can
go down Sunday
afternoon but we
would be glad to
have you stay over
Sunday.

Let me hear from
you abt it

Very truly yrs
