

Prof!!

Readville, Mass.

I am so glad of
your letter!

Dear Collins 2 Nov 1905

Your letter & the
bundle came to hand
yesterday morning
last evening Fernald
was out here & we
looked over some
of the "wonders" you
were so fortunate as
to light upon.

I thank you cordially
for sending it & found
Fernald's account of
the geography & your
adventures in the
region decidedly
novel & I congratulate
you both on such
a terra incognita.

I shall hope to see you
on Friday evening to tell
you somewhat of my
summer. Sincerely
G. R.
