

GEOLOGICAL SURVEY OF CANADA,

A. P. LOW, DEPUTY HEAD AND DIRECTOR.

Ottawa, 2nd May, 1906.

Dear Prof. Collins:-

The back numbers of The Ottawa Naturalist have now been sorted, I believe, and there ought to be no trouble in getting the number you ask for. I have sent your card to Mr. Gibson, asking him to attend to the matter. The Flora Ottawaensis was never completed but we are now at work on the flora of this region, which will be issued from this Department. This will, of course, include all that was published by Dr. Fletcher as well as much additional information. Dr. Fletcher and other local botanists will assist in the preparation of this work.

Yours truly,

J. M. Macoun.
