

Hood's Hole, Mass

Aug 25, 1892.

Dear Mr Collins,

Very many
thanks for the *Blaginnella*
which came all right
and was in perfect con-
dition. I have been

working on it carefully
and trying various
methods but have
not yet gotten it to
germinate. I am

very glad you are
to be at Block Island

with Prof. Bailey. I
know you will enjoy
it hugely. I will
remember you in
the matter of *Drosera*
and *Sphagnum*.

Shall be glad to hear
from you again.

Yours very sincerely

H. J. V. Planchon.
