

Providence, Jan 5, 1893.

Dear Mr Collins,

Prof. Bailey  
has spoken to me regarding  
a book published in New  
York which he thinks you  
brought to his attention. He  
thinks it was "Nomenclator  
Botanicus" or something sim-  
ilar. If you know of  
it I should be glad to hear  
about it.

Yours very truly  
H. J. V. Oosterhout
