

Cambridge

7 November, 1904

My dear Mr. Collins:-

A fairly liberal count of the
labels still needed is as follows:

Carlton (plain, which I can use for det. + Pt.)
130 143

Box. Co.

150 115

Gaspé Co.

104

150

116 (of which about 95 are G.R.)

362

Of some labels I have a fair supply left over
which I can furnish to Fernald if he needed them

viz:

York (plain)	circ. 12
DaR. alluv.	" 10
bracketed posts.	" 15
D. Shore	" 5
Cap Blanc	" 12
" Bané	" 15
Musnelles	" 12
Mt. St. Anne	" 12
Alluv. B.R.	" 20

B.R. books.

circ. 13

Caulster Bluffs

" 10

The estimate which I have given for Caulster is large enough, I think. For Ben. Co. and Gaspe' Co. it might be well to increase ~~the~~ count by at least 25 each.

There is ~~no~~ great hurry about these labels as they are mostly for duplicates.

The Gaspe' pictures have been much admired by all to whom I have shown them.

With best wishes,

A.S.P.

Pease, Arthur Stanley. 1904. "Pease, Arthur S. Nov. 7, 1904." *James Franklin Collins correspondence*
