

Cambridge

4 December.

My Dear Collins: —

I am not surprised that my guesses
were so far from correct for I passed so many
places in a comparatively short time that they did
not become at all well fixed in my mind.

I fancy, however, that I have the rest of the north
shore more correctly labelled, for there were only a
half-dozen or so that I felt sure about, viz:

8 2. 5 } = Riv. à Pierre

6 } = Riv. Claude

82.12 = near Fisher Pt.

and the last 3 = Matane

81.10 + 11 I didn't think it necessary to know
the exact situation of.

With the south and east coast pictures that defi.

with recollections and so am sure that I have
identified them correctly.

I am much obliged to you for letting me
know about these.

Cordially,
A. S. P.
