

PRESTON & ROUNDS COMPANY,

BOOKSELLERS AND STATIONERS.

PROVIDENCE, R. I.,

May 3rd 1905

Dear Mr Collins

Yesterday afternoon I took a short cut through a portion of that Cedar Swamp between Rumore & Fields Station & found a clump of Spruce old trees & many seedlings - This locality is more like the ~~Bass~~ Gloucester one - the tree tall - whereas Bowditch & Scituate ones are stunted - As for I think in Sander & Fresh distinguishes four forms -

Yours very truly
H. W. Preston
