Dear Collins

On my return
from a week at Providence
Island I find your plants
& will take them in hand
this evening.

The island proved in-
teresting both for the trees
it had & also for those it
had not - I will give you
a list when you return -

Tom is now on his sum-
mer schedule & I hope to
get half a day with him
somewhere.

If you ~~who~~ were here I
would suggest the explora-
tion of Little Compton -

The holly grows there &
why perhaps may not
the Post oak? why not
on Canonicut.

Yours very truly
H. P.
