

Providence R.I.

Aug 24 1910

Dear Collins:

How about Maine?

Jon seems to be uncertain or Mrs
Jon does. When do you return
to this town & when for the Pine
Tree State.

The Tree Key is largely in statu
quo.

Have seen some fine pine
flatly one 12 ft cut in Mass.
This A. M. Dr Fench called with
specimens Button Bush & Buckthorn
& announced they were not in the
key but departed in a humbled
frame of mind when convinced

of his error.

Hongus Key I tried to get in
the spring & don't think he
has yet issued it. An order
is in for it at any rate.

Kindly post me up as soon
as possible

Yours faithfully
H.H.P.
