Dear Collins

Thanks for your suggestion regarding Chestnut Blite Conference Report. Have written for it.

This is at the N. E. corner of Card Pond (see Top. map.) + on a recent road (not shown on map) which east & west joining the Matunuc Road to the road west of Card Pond

The nearest R R Station is Wakefield 7 miles, so it's not the most convenient place in the world.

It would be great fun to go over some of this country with you. We could start from here or meet at Kingston or Wordens Pond. Ladmanthe is budded now. ~~or~~

Perhaps get a boat at Knowles. You can get a team at Wakefield or Kingston

You can reach me by phone Geo. St. Browning under Narragansett Pier.

Let me know what your plans are

There is a young man here who has  
just bought a Chestnut wood lot near  
Wood River Hope Valley & has not heard

of the G.B.D. So if you can send me  
a pamphlet I will enlighten him.

Yours ever  
W. W. Pearson
