

Providence, R. I., April 11, 1910

My dear Mr. Rice:-

I should think that the 25th would not be too late to get the Hepatica in good condition if this weather holds out. . I hope you will decide not to visit the yellow violet and the walking fern localities if anyone besides Mr. Preston goes with you. If it is so I can accompany you on that date I shall be delighted to do so.

Hastily, but very cordially,

Collins, J. Franklin. 1910. "Collins, James Franklin Apr. 11, 1910 [Collins to Rice]." *James Franklin Collins correspondence*
