

Perkins Hall 60
Cambridge Mass.

Dear Prof. Collins,

I have just had a letter from Warnstorf in which he says that he is willing to determine your Sphagnum, and hopes that you will send "well prepared, ample" specimens (I told him yours would always answer that description) to

C. Warnstorf,
Friedenau, Berlin,
Ringstrasse 55.

He is at work on his monograph and will report on your specimens at once.

Yours,

H. H. B.

(Over)

P.S.

W. expects quite a "pile" so you
might as well make a clean sweep
of all your undetermined Sphagna (from
N.E. as well as Gaspé.)
H.H.B.
