Mass. Feb. 23 - '32 -

My dear Sir,

I received the enclosed letter & seeds only a week or two ago, & forward them to you as your brother requests - I have taken out the seeds of cactuses to send on to Dr. Engelmann, who is just now studying Mr. Wright's collection of cactuses, & to whom they will be very useful -

Your brother also requested me to pay over to you any monies I may hold for him - And so if

you will draw on me the
first of March, I will honour
your draft for \$170.00 -

I have heard good accounts
from Mr. Wright since the date
of this letter -

Yours very truly

A. A. Gray
