

Alstead Centre, N.H.

July 14, 1899

My dear Miss Day.

I am sorry to trouble
you with this Pycnanthemum
~~manuscript~~ ^{proof} but I am unable
here, especially without
manuscript, to verify the
references. Will you kindly
do so for me and send the
proof on to the Gazette?

I am not quite sure about
taellia in the first line
of foot-note 7. Should it
be in italics or in Roman
to agree with the Gazette

method of printing independent
generic names?

If you will kindly verify
the references & change the
Itellia if necessary I shall
be very greatly obliged.

And when the reprints come
will you kindly send me half a
dozen copies.

Cordially yours
Merritt L. Fernald.
