

GRAY HERBARIUM OF HARVARD UNIVERSITY,

BOTANIC GARDEN, CAMBRIDGE, MASS.,

Sept. 15, 1899

Dear Dr. Robinson -

Here is a note for  
*Rhodora* enclosed in a letter from  
Prainer.

I expect to go to Orono tomorrow  
night and shall plan to be back on  
the 26<sup>th</sup> or 27<sup>th</sup>.

I am keeping that Texas "*Arenaria*"  
for your opinion. I take it to be  
a form of *Cerastium arvense*.

Philip Barry has been in with his  
*Habenaria*. It may be a good thing  
and I have given him some advice  
on the subject, so that he may perhaps  
settle it next year.

Sincerely  
M. L. Fernald.

Fernald, Merritt Lyndon. 1899. "Fernald, Merritt Lyndon Sept. 15, 1899 [Fernald to B.L. Robinson]." *Merritt Lyndon Fernald correspondence*
