Fort Fairfield, Me., June 5, 1901

Dear Miss Day,

I am sending by Express
— reaching Boston Early tomorrow
morning — a package containing
full sets of Antennaria rupicola,
Rhamnus alnifolia (in flower),
Betula pumila & Eriophorum
alpinum. The Rhamnus has
just gone in and the leaves
may need some attention from
Miss Anderson.

I shall probably ship
another package tomorrow
morning. I have been standing
to Orono but the drivers there
must now be all full.

It has rained every minute
since I left Camb - but
this morning it is bright
& promises well for the rest of
the week.

Hope all goes well -

Sincerely
Merrill L. Fernald
