Mr. J. P. Thompson, -
Dear Sir,

Your favor of the
7th and the box received.

I am very much pleased
with the appearance of the list.

It goes far beyond my
expectations, and I don't
know wherein it could be
improved in appearance, or
for practical use.

I feel very much
indebted to you for the aid
you have given me, both
as representing the Society

and personally.

I expect to go into Maine in about two weeks, and shall take with me a small parcel of specimens which may be of service to the Society.

Thanking you and the Society for the great assistance rendered me and hoping the work may be of help to the Society and the State

I am, as ever

Very truly yours

Merritt Lyndon Small.
