

126 East Ave., Providence Apr. 20. 1879,

Dear Fernalcl: Mrs. Stevens recently sent me
some of your Island Falls ^{sc.} mosses to look over.

Your No. 1012 (*Orthotrichum anomalum*) is new to Me.

" " 1008 ^{may} be new to Me. (doubtfully determined)

If your # 1011 proves to be what I think it is
it is new to the U.S. though not to N. Amer.

Your No. 1002 is a puzzle, as yet, to me.

Most of the others appear more or less common.

If you have an abundance of the above num-
bers I would be glad of an opportunity ^{to examine}, more
material sometime when you can get time to
look over your material. Cordially.
