

Providence. 16 Oct. '12.

Dear Fernald:- The explanation
connected with the announcement
of your talk was largely for the purpose
of enlightening people who might
not happen to know what the sages
were, as many members of the
society are fruit growers, orchardists,
or farmers. - anything but historians.

I shall be glad to do what I can
in regard to Lantern Slides, but
~~give~~ me all the time possible, as
I may have to be out of town
more or less. Whatever I do will
have to be in homeopathic doses,
evenings & Sundays

Very truly,
Collins.
