Dear Fernald:-

After mailing you the bill for the lantern slides today I picked out the slides to pack. One of the uncolored slides that you wanted I could not find, and upon looking up the record found that no lantern slide had ever been made from that negative. On the other hand I found one of the slides marked "uncolored" (No. 111.11) really was a colored one; so this makes the same total as given in the bill. I trust this is entirely satisfactory to you.

Sincerely,

J. F. C.
