

March 15, 1935.

Dear Dr. Standley, -

In accordance with
your request lately received, I
have just sent to Mr. J. J. Salas of
Honduras the status of *Cattleya*
guatemalensis which is a natural
hybrid (*C. aurantiaca* x *C. Skinneri*), together with a list of
regions where it might occur.

Prof Ames has not yet returned
from his cruise, but ^{he} is expected
soon after March 20th. I shall
refer your letter to him.

Yours very truly,

C. S.

Assistant to Prof. Oakes Ames.
