Dear Dr. Garay:

Thank you for your letter of June 26. I am glad to see that you have found the recently sent collection of orchids so interesting. As to your inquiry where to obtain Kraenzlin's papers on the orchids of Dusén, I have the pleasure to inform you that I am now sending you these to reprints as a little gift from our department.

With my best wishes for your work, I remain,

Yours sincerely,

Sten Ahlner
