

Bot. Museum,
Oxford St., Cambridge, Mass.,
June 14, 1928.

Mr. C. H. Lankester,
Cartago, Costa Rica.

Dear Mr. Lankester:-

In searching recently among the orchid material which you have sent to us in formalin from time to time, I found several problems still unsolved because we lack herbarium material. You know of our wish for flowers and base of plant of *Limodorum* (No. 1136) and for the plant of *Maxillaria* (No. 943).

Besides these we lack a plant (as well as good pollinia) of #1056 a peculiar spurred flower.

Also kindly send us plants of numbers 1095 a *maxillaria* allied to *M. alba*, 917 &, a *Phaenothallis*, apparently one of our new unpublished species, 922, "*Trichopilia punctata*", 935, *Arpophyllum*, 837 & *Epidendrum*, 1053, *Cryptocentrum*, 1109 *Sobralia* (we have good flower of this marked 928 but incomplete herb. sp.

Your # 681, marked *Lockhartia Lankesteri*,
= *L. Pittieri* (*L. variabilis* A.S.)

1073, marked *Kefersteinia*? = *Chondrorhyncha iostellensis* Ames

920 (single fl.) = *Pleuroth. Convallaria*
Schltz.

841 ♂ = *Pl. uncinata* Fawcett

Also please tell me whether the excellent painting of *Sobralia leucogantha* which you sent some time since is for us -

Thanking you in advance and assuring you of our esteem of your orchid discoveries, I am

Sincerely yours,
C.S.

Schweinfurth, Charles. 1928. "Schweinfurth, Charles June 14, 1928 [to C.H. Lankester]." *Oakes Ames Orchid Herbarium correspondence files*
