

Quebec. June 19th/42.

My dear Dr. Humeay.

Your ever kind & cordial
note of the 12th Inst. I received in Montreal
2 days ago & only delayed replying to it
till we could arrange our plans from
here. We have been disappointed in going
on to the Saguenay as the steamers do
not begin to run till next week. so would
it suit you equally well for us to visit
you now instead of postponing it till the
end of our time when we may be too
hastened. We hope to get to Saratoga on
Tuesday inst. ^(25th) & if agreeable to you would
come on to Northampton on the Thursday ^{27th} &
stay till the Saturday on which day we
are due in Boston. A line from you to
the Post-office Saratoga will find us if
you so kindly say, if this offer of ours
is quite agreeable & convenient. As
you are with a friend & we have named
a different time to the one you did, it may

Probably not be convenient to receive us
under your roof & we ~~perhaps~~ shall
be quite-willing to abide in our hostelry."

We have had a very pleasant trip with
only few drawbacks & fine weather. We
did not go further west than Chicago
& reserved our time for the Saginaw but
will make it up by visiting the White-
Mountains more in detail. This is a
charming old town. I have always pre-
sented for antiquity, & the views are
splendid. We only arrived this morning &
have tomorrow to have not much time to
see all in, but beyond the town itself there is
not much to see. I shall remain all
evening till we start & with reiterated thanks
for your kind remembrance of us & kind
invitation believe me with united
kind regards to you & yours

Most truly yours,

David Ainsworth
