

468 Hope Street,  
Providence, R.I.  
Apr. 30, 1911.

Dear Dr. Kennedy:-

Thank you very much for the permission given in your letter. The names which go along with yours are those of Fernald, Rand, Collins, and a Mr. Miller of Providence. On another plank which also required five names I decided to use different ones, although the same five would have answered, and inserted those of Dr. Robinson, Dr. Riddle, Dr. Metcalf, Mr. Chamberlain, and a Mr. Arnold of Providence,

It looks as if spring had really arrived within a few days. Quite a number of trees have their young foliage, the Norway Maple is in bloom, as well as Houstonia, Viola, Nepeta Glechoma.

Cordially,

J. F. Collins.
