

Cambridge Mass.
Dec. 30 ~ 1885.

Dear Mr. Kennedy,

We reached Cambridge safely Monday evening in one hour and a half from your house and we all agreed it was one of the most charming social and botanical visits we had paid for a long time. The ticket-office, as you anticipated, was closed. Thanks for your thoughtfulness. I find two rides left, so I return them as I am afraid 9 cents

use them in Cambridge -
Give my kindest regard
to Mrs. Kennedy and your
daughter and Hal -

I saw all the botanical
lights at the Garden yes-
terday, including Rev. Theo.
Morse from Ashland, who
dined with me. He is
our authority on Botanoge-
tons and makes water plants
a specialty. His Herbarium
includes all No. Amer. plants,
as he expresses it, "from the
Arctic circle to the Tropics."
Sincerely yours
Walter Deane.
