

10-30 A.M. Feb 17

Dear Mr Kennedy -

Excuse this primitive way of  
writing. Address

Prof L. H. Bailey, jr.

Michigan Agricultural College  
Michigan

What floods we have had - I have  
visited the Roxbury district. Alas!  
I am to have the papers in 3 of  
my rooms changed. They are not as  
large as yours, but still it is  
bother - There are not any more  
Diaries of Pursh floating about that  
I can purchase, are there?

Dr. Gray has just issued a new  
edition of the 2 Synoptical Floras  
of N. Amer. in one Volume, with  
corrections made on the plates where  
possible and a copious supple-  
ment (price \$5.00). He gave me a  
copy of the Supplement - which he had  
struck off separately. Excuse the  
paper & soft pencil - Ever  
W. D. Lane.

Mr. G. G. Kennedy,

(Kidney/Hall)
