

I had lots of pleasant greetings

Everything is about the
same here - Margaret joins
in much love to all,

Sincerely
Walter Deane.

Dear Dr. Kennedy -

Returning home rather
late from our last Mc
Dine of the season, I found
on my table, last evening,
The Concise Oxford Dictionary.
How much pleasure and
profit I always get from
your Anniversary Day greetings.

On the shelf by me as I sit
at my desk lies a dictionary
that I at intervals reach out
for without moving. We all
need such at any moment,
It is a small School Worcester's
Dictionary with one cover
dangerously near separation
from the main body of
the volume - And aptly
will this new book take
its place. I never had an

Cyprus Dictionary of any kind and I am
more than pleased I saw you. and
thank you so much. It will be

a daily reminder from warm friends.

I was surprised at the warm warm

greeting ~~that~~ I had. At 7.10.

Friday last evening, when the ice-

cream was packed round? to my surprise

a factory came with Cyprus candles

was put in front of me -
