My dear Dr. Kennedy:

Oct. 15, 1912

Thank you very much for the clipping from *The Athenaeum* in regard to the names of the Skraeling bags. If the new interpretation proves sound it is of great importance since all the philologists had practically given up on the names.

With the added chores thrust upon me last year I was forced to neglect the Norsemen completely after writing two chapters in October and November. As yet I haven't caught a moment free from routine but I sincerely trust that I can accomplish more on that subject this year.

Sincerely yours,

Merritt L. Fernald.

Fernald, Merritt Lyndon. 1912. "Fernald, Merritt L. 15 Oct 1912." *George Golding Kennedy correspondence*
