CAMBRIDGE, MASSACHUSETTS, U. S. A.

April 1, 1913

Dear Dr. Kennedy:

This Anderson has handed me this bill for her work on your plants during March. As she has been paid monthly for her work for the Club perhaps you will be willing to advance her this payment before seeing the specimens. The mounting is progressing well and in a very few days now will be finished. I will then put the lot through our Carbon Disulphide fumigation and send word to you that you may bring your express automobile for them.

I imagine that Sinclair is with you by this time or soon will be. Tell him for me please, that if he is not tired out with wandering I shall be glad to know if he will consider Barrett Mt. for April 18, 19 and 20.

Micrely yours,  
Merritt L. Fernald,

Fernald, Merritt Lyndon. 1913. "Fernald, Merritt L. 1 Apr 1913." *George Golding Kennedy correspondence*
