

My dear Sir,

It seemed very pleasant to receive so warm a welcome, as was expressed in your letter.

Although I have had a fine time throughout, I am heartily glad to be back again and at work. The affairs at the Garden, Herbarium, and Laboratory have gone well in the absence of Watson & myself and I find it easy to take up work very nearly where I laid it down.

It will give me pleasure to see you at the Laboratory on any Tuesday or Thursday afternoon before 4 o'clock (after which hour I am generally away). Please remember me very kindly to Mrs Kennedy, and believe me to be
Yours very sincerely
