TORONTO, 19th Oct. 1908.

Dr. G.G. Kennedy,  
Readville,  
Mass.

Dear Dr. Kennedy:-

I am very glad to have your letter stating you would do what you can to give me the information I desire. I happened to have another slip from the proof I cut up to send you and now enclose it.

If you have a short biography of your father in addition to the information you are going to send me, I will be glad to insert it. You understand the book is only for private circulation. I have worked at it a good many years and now have it in shape that I must put it in print as soon as possible.

I shall be awfully obliged if you will give me the information I desire as soon as possible.

Yours faithfully,

Enc. (1)
