My dear Doctor

I was fortunate enough to find at S. B. Lyster's 79 Nassau St. New York a copy of the '73 Ed. of Le Moant & Decaisne for \$10. It was in fine condition inside & would have cost \$15 in London, so Little & Brown said.

You may do just what you choose with the Gray Manual of '57. I strongly think that you will find however that it is but a reprint of the '56 Edit. Our publishers ought to be prohibited from many reasons for putting a new date on a mere reprint.

I have been having my magnifier hauled over by Dalton & I have two new lenses to show you. They are very fine & the smaller one of very great power.

With my best regards to your family & yourself.

Very sincerely Yours  
Smith F. Williams
