Mr. Walter Deane,
29 Brewster St.,
Cambridge, Mass.

Dear Mr. Deane:

I have received a letter from Frau Hackel telling me that Professor Hackel died February 17. She begs me to tell the kind American friends who helped to make his last years more comfortable, and to express to them her heartfelt gratitude.

Since July 1922 I have written to Professor Hackel ^{at least} once a month, and have an interesting series of letters--mostly "agrostologische Plauderei" from him. His mind was clear to the very end.

I add my thanks to those of Frau Hackel.

Sincerely yours,

Agnes Chase
