

29 Brewster Cr.

Cambridge Mass.

June 30. 1807.

Dear Mr. Davenport.

Can you tell me what
this frond is? It came from
Shelburne, N.H., where I have
been. A lady gave it to
me and I told her it was
hard to name these young
sterile fronds. Is it per-
fectly possible to name a
frond like this?

How and where are you?
I am home now for some
time.

Sincerely yds.
Walter Deane.
