England.

New-York, July 19th 1888.

Dear Mr. Vaviloff:

Our printer has very
stupidly sent copy & duplicate
proofs here instead of to the Editor
in charge at Columbia. I have corrected
proof & agree with M.S. and have
two questions to ask - Will you consult
your labels for Portero Peak. and
Andes Anzo. I think it should be

Potamo and Ancho both Spanish
words - the others do not mean anything.

As the C. fibrillata has already been published
in Nudemmodi Ferns - I have struck out
the u. sp. and made a few other

changes from your MS. which I hope
you will approve. I am thoroughly
begrudging the ferns here at Kew and
wish you could have the pleasure.

Very sincerely
E. G. Britton.
