Geo. E. Davenport Esq.

Dear Sir.

Thanks for the ferns sent
the other day.

Adiantum Capillus Veneris
I had from Lower California
before. *Aspidium patens* I
had once before from California.

The numbered ferns I would
name as follows.

1. *Cheilanthes lanuginosa*
2. *Notholaena candida*
3. *Cheilanthes Clevelandii* - but
not absolutely certain it
is not *C. nymphaeophylla*
4. + 5. *Ch. Fendleri*
6. *Ch. Clevelandii*

The white condition of
the last is very interesting.

Yours very truly
