

Charlotte, Vermont,

Dec., 21, 1881.

My Dear Friend:

Home from my first  
botanical journey to the Pa-  
cific Slope: only for a few weeks,  
I suppose. Then S. Cal. and Ari-  
zona again. I think I wrote  
you not long ago from Portland,  
Oregon. Sailed Nov. 29, stopped  
two days in San Francisco, but  
saw no botanists but Dr. Kel-  
logg. Spent a day at Colton  
with Dr. Parry and the Parish  
Brothers. They are fine men.  
Some things still in flower there  
and the weather delightful.  
Stopped a day in Tucson; there  
had been a frost on the low  
lands; on the hills found a  
Lycium in fl. Ficus in these regions  
all withered up. Spent a day  
with Mr. Patterson. Hope to  
go to Boston and see you.

Faithfully, C. G. Pringle.

NOTHING BUT THE ADDRESS CAN BE PLACED ON THIS SIDE
