

H San Luis Potosí,

29 Nov, 1892.

Dear friend:

In Guadalajara a short time ago I was surprised to hear of your anxiety concerning me, and now returned here I have your letter of - the 3rd inst., at - The beginning of the season I was straightforward by the failure and return of one of my assistants, and since have had to crowd so incessantly to secure a good collection, that letters were neglected as much as possible. As I have secured but very few from this season, I would think that I shall have to go down to the coast region or far to the south for more - but note this year. Hope to turn homework in two weeks -

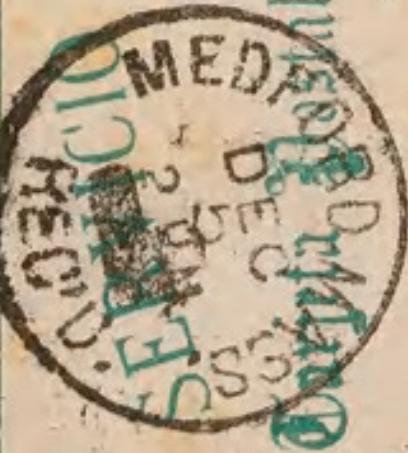

Yours faithfully, C. G. Pringle.
