My Dear Mr Davenport

I was very glad to receive your last letter, not hearing from you for some time I feared your health had been rather worse than usual, I will be pleased to hear the particulars about the Fern book, It will be impossible for me to say how long it will take to make the illustrations for the Genesee, I am very busy now and my time is limited, let me know how many illustrations altogether the book will require, the sooner I know, the better I will be able to make my plans, I also want to know the size of the page. The illustrations must be first class and

Not hurried, I had a long
letter from Mr Hyginson a few
days ago, he is well and in
better spirits than he used
to be I was glad of this
will welcome your next
letter

Yours Sincere Friend
John Williamson
