

Springfield  
Mar. 25. 1885

Your letter, catalogue and postal card received. I will return the catalogue in a day or two. I am very much obliged for the names of the grasses. I knew that the specimens were miserable, although the very best I could find so late in the season, but I am glad I did not destroy them as I thought of doing. I got most of them in a lane west of the town, perhaps that one that runs by No. Bottom Pond, but I collected a few near some of the ponds in Squam.

I have a letter to you on hand, begun last week and left from press of other matters. It is to accompany the list of Nant. plants. I see plenty of work ahead for a long time, but I shall get this pleasure in some way. Don't expect letter or catalogue (i.e. mine) very soon, but when you get it check off what you please. M. L. Owen.

POSTAL CARD.

NOTHING BUT THE ADDRESS CAN BE PLACED ON THIS SIDE.

Mr. Waller Deane  
5 Brewster Place
