My Dear Mr. Deane,

Your note of 26th recd

I am glad to hear you have as many as 100 specimens not on my list.

Send them all — I will return in addition to the "sets" enough desiderata to give satisfaction.

You ask if all my checked ones are complete? I regret to say they are not and now wish I had adopted your plan of checking. I must correct this gradually as opportunity offers.

Do you collect & name mosses?
I could make exchange in

This line of 50-60 specimens —
but only partially identified —
about $\frac{1}{4}$ to $\frac{1}{3}$. Some more, besides
generically, not specifically.
I would not care to exchange
in mosses unless fully identified.
 Hoping this reply will
