My dear Walter,-

The Magazine which I sent you by mail shows the capabilities of the flowers of grasses. I have already reaped the benefit of exhibiting these attractive pictures to one or more whom, I trust, will help us in the new Blaschka enterprise. As soon as possible I shall send R.B. a check in advance for his first half-year's work on grasses. I have ~~a~~ advised him to begin with some which Europe shares with us.

Mrs. Goodale joins me in kind regards and all good wishes to you and Miss Brown, and to the Philbrooks when you see them.

Yours faithfully

G. L. Goodale
