

Berkeley, 9 Dec. 1887

Dear Mr. Deane. —

Your favor of
the 1st inst. has just come to
hand. Many thanks.

As regards autograph
letters, I doubt if I can help
you at all. Remember, I
am a botanist who have lived
in the woods, gathered in my
facts and made my reflections, and
kept them to myself until
lately, except in so far as I
have made them tributary to the
glance of your Cambridge
authors. In a word, I have
had little botanical correspondence,
and have been honored with only
a few letters from botanists.

beyond American shores.

I have one letter from Boissier, and could not spare that. One or two also, from several other eminent men of France and Italy. Pittonia has brought me two from Alph. de Candolle, and these two, I must keep. Still, I may be able to help you later on.

You may as well send a list of what you are in lack of, of my writings; but not with much expectation; for I think I sent you nearly all, of which I had duplicates, at least as regards the "Studies".

Yes, I hear also from Mr. Morone himself, about his proposed trip to S. Am. and I heartily wish he may carry all those

nice plans into effect.

Yours Very Truly

Edw. L. Greene.

Greene, Edward Lee. 1887. "Greene, Edward Lee Dec. 9, 1887." *Walter Deane correspondence* –.
