

Dec, 1880

Dear Mr. Davenport -

I received your package of book, pen, and ms. in good order. I am very much obliged to you for the pen, you were very welcome to the book, and I shall carefully (probably next Sunday) go over the ms. I am also obliged to you for the very great compliment you pay me but hardly think the whole merited -

I should never give away plate rights, or information, on the pump plan - If a man wants anything let him get it man fashion - I do not know who this Underwood is - I never heard of him -

I am Sincerely Yours

~~John Robinson~~

P.S. There is an Essex Flora at the Hort Hall

I expect for you I sent it by Mr Manning  
and fear I forgot to send you  
a P-Card to let you know.  
What horrible weather —
