My dear Mr. Davenport,

Thank you very much  
for the description of the new  
form of *T. marginale*.

I was truly worried about Mr.  
Gilbert, but early in the week  
I heard from him. He is at Ft.  
Augustine, and is apparently well  
and having a good time. He  
says it is not ill-health but  
the dolce far niente of the South

that kept him from writing.

Sincerely

C. E. Waters.
