HERBARIUM OF HARVARD UNIVERSITY,

BOTANIC GARDEN, CAMBRIDGE, MASS.

April 23<sup>1883</sup>

Dear Mr. Davenport,

Nettenius  
makes *A. myriophyllum*  
a variety of *A. thizophyllum*,  
with description + synonymy.  
— but does not call it  
*var. microphyllum*, leaving  
it without a specific  
name — just as Hooker  
cites him.

Yours very truly

Frederick W. W. W.

Smith has sent me several  
specimens of the new form.

Watson, Sereno. 1883. "Watson, Sereno Apr 23, 1883." *George Edward Davenport correspondence* –.
